

NOVEMBER 19-20 · 2026

NVIDIA

The fastest growing company in the history of capitalism

PROGRAM

International Company Visit

LOCATION

Munich, Germany

FORMAT

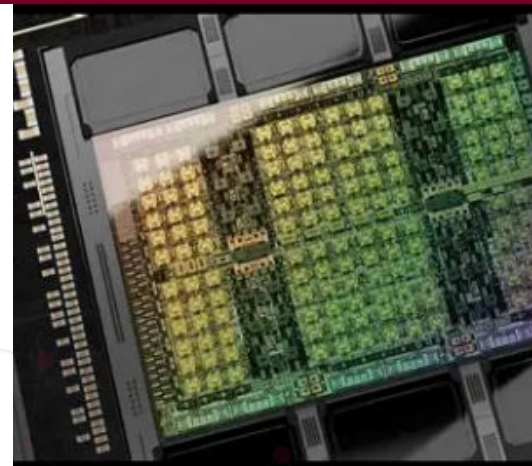

Executive Delegation

VISIT NVIDIA IN MUNICH

Step inside the company powering the AI revolution in an immersive 2-day experience in Munich.

NVIDIA controls roughly 90% of the AI chip market and has become essential infrastructure for nearly every breakthrough in the field. From Sovereign AI to the AI factories reshaping European industry, Nvidia sits at the intersection of strategy, technology, and geopolitics. In Munich, you see how this works in practice.

EXECUTIVE PROGRAM

Connect with a group of leaders, including CFOs, CEOs, CIOs, directors, and business development managers.

Immerse yourself in this exclusive experience that fosters **networking, learning, and strategic partnerships.**

PROGRAM BENEFITS

Get immersed in the strategy of the company at the heart of every AI breakthrough.

The perfect mix of:

1. In-depth analysis of new Nvidia business cases on strategy, leadership, and innovation, led by Prof. Dr. Fred van Eenennaam
2. Briefings at Nvidia's Executive Briefing Center with senior leadership
3. Live demos: generative AI, digital twins, language models, and robotics
4. Networking with fellow senior executives in the strategic setting of Munich
5. An immersive look at how Nvidia is shaping the future of computing

KEY TOPICS

1. **Sovereign AI:** How organizations can build their own AI systems to own their data, models, and future independently. Why Europe is now investing €1 billion in its first sovereign AI factory in Munich.
2. **AI Factories of the Future:** Inside Nvidia's strategic partnership with Siemens and Deutsche Telekom, where AI-driven adaptive manufacturing is being built on 10,000 Blackwell GPUs.
3. **Essential Infrastructure of the AI Era:** How Nvidia became the backbone of nearly every AI breakthrough, and what it takes to stay there when customers begin designing their own silicon.
4. **AI Across Industries:** High-impact infrastructure solutions and use cases across healthcare, energy, public safety, and industrial automation.

REGISTRATION

For registration, reach out to Klaudia Meszes, program manager.

 **Date: 19-20 November, 2026**

 **Location: Munich, Germany**

 **Participation Fee: €2.684**

*The Participation fee includes the sessions and meals. Flight and lodging are excluded.
